Volume 1 | Issue 1

Bi-Annual

December 2021

## CEO's MESSAGE

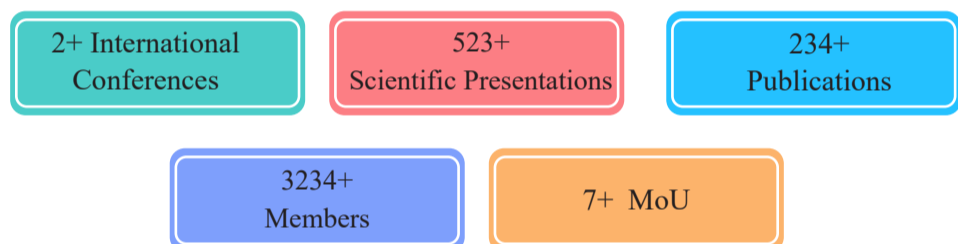

### Our glittering accomplishments in the year of 2021

Welcome to the December 2021 issue of the newsletter from Universal Society of Food and Nutrition (USFN). Have a glance of USFN achievements that we made battling the Covid-19 pandemic. 2021 delivered USFN many unforgettable moments to mark our era towards accomplishing our mission and vision.

We are passionate about providing research scholars with an inspiring global platform to learn, gain knowledge, share research ideas where they feel respected, able to thrive and be a successful researcher. As a leading global source for scientific information with 10K+ members, USFN promotes food, science & technology through its Conferences, journals, magazines and proceedings of more than 20 annual conferences and scientific events every year. USFN supports the professional growth of our members by providing opportunities for professional networking, life-long learning and career development, research assistance & guidance, publishing their research works in reputed International journals. Our members & associates together made a few milestones achieved through our R&D activities in nook & corners of the world. With the interest of our members, USFN recognizes its ethical behaviour and Integrity responsibility. USFN would always show responsibility towards a commitment to innovation and excellence, commitment to sustainability and perseverance in delivering better work towards the society.

**Mr. Rudra Bhanu Satpathy**  
CEO, USFN  
A Unit of Technoarete Group
